It's not, really, but I can shoe-horn? Let me know if you'd like us to do that. Here's a clean version.

If this is a 1-pager, can you also add it to the new template?

OK – I can do that. Darlene, I'll clean up & send you a stand-alone file. Sounds good?

Maybe add a note in the body of document rather than a comment box – so it looks more polished.

Can we keep the comments on page 1? I want to explain why the list of compounds changed. Thx.

Thanks Kimberly. Is this going to the IO as is, with the all of your comments included?

Here you go, Darlene. I updated this morning and marked as Working Draft. Copying Ed & Mike. There are a number of placeholders for other offices (OECA, OPPT), so I'll be talking with the team about that Tuesday afternoon.

Kimberly - can you send the 1-pager by 4:00 today so that the IO can include it in Michal's evening binder? Any documents we send for the OPP General are typically included in her binder and we have to provide those documents by 4:00 pm.
